WATERSHED MANAGEMENT DIRECTORATE

BACKGROUND

Uttarakhand State is well endowed with Forest and Water resources. More than 12,000 glaciers and 8 major river catchments act as the lifeline for the entire hydrological system of Indo-Gangetic plain. The Himalayan Watersheds are under constant threat of mass wasting and erosion caused by depletion of forest cover, unscientific agronomic practices, hydrologic imbalances and natural calamities. The ever increasing population, the need to provide a better quality of life to the people and the pressure on natural resources is further compounding the problem. Considering the magnitude of the problems, the Uttarakhand Govt. has realized the significance of taking up watershed based planning. A total of about 8 watersheds, 116 sub watersheds and 1110 Micro Watersheds have been identified in the state which are being taken up for regeneration and sustainable development, in phased manner.

In the state, thrust has been given to integrated watershed development programmes. A separate Directorate- Watershed Management Directorate (WMD) has been established as a nodal agency for coordination, monitoring and implementation of integrated watershed development programmes in the state.

As a public service delivery organization which has to work closely for and with the community, WMD is working on the principles of good governance viz. transparency, accountability and responsiveness of administration. The citizen charter of WMD is an endeavor towards achieving the above enshrined principles of good governance in public service delivery. The object of this charter is to work towards efficient public service delivery.

VISION OF WMD

'To improve the productive potential of natural resources and increase incomes of rural inhabitants in degraded watersheds of the state through socially inclusive, institutionally and environmentally sustainable approaches.'

MISSION STATEMENT

Holistic development of the degraded and rain-fed areas of the state through integrated management of natural resources on participatory basis to achieve ecological balance, income enhancement through increased livelihood opportunities, poverty alleviation, welfare of vulnerable groups including women and landless, equity in benefit sharing and institutional strengthening through capacity building.

BUSINESS TRANSACTED BY WMD

PROJECT SURVEY AND PLANNING

- Project preparation of integrated watershed development projects following guidelines of MoA, MoRD (DLR), MoEF, Govt., of India and external agencies.
- Arrangements of financing from Govt. of India and other external / internal agencies for implementation of watershed projects.
- Coordination with other line departments (Rural Development and Agriculture) and NGOs working on watershed development projects, evaluation and submission of project proposals to the respective Ministry and Aid agency.
- Prioritization of watersheds to be taken up for treatment and project planning.

MONITORING AND EVALUATION

- Progress monitoring of all watershed development programmes / schemes being implemented by Rural Development and Agriculture Departments.
- Development of MIS for quick retrieval and analysis of captured data.
- Monitoring and Evaluation of externally aided projects through external, internal evaluators and participatory monitoring by the community.

COMMUNITY PARTICIPATION, TRAINING AND DOCUMENTATION

- Achievement of community participation through involvement of PRIs and Community Based Organizations (CBOs) for planning, implementation of integrated watershed development plans and management of assets created.
- Capacity building of communities, community based organizations (CBOs) and PRI institutions through skill development, social and technical trainings, workshops and exposure visits.
- Training and skill upgradation of staff.
- Ensuring equity by way of effective participation of vulnerable groups including women and landless in the planning, implementation and benefit sharing in the watershed project.
- Information Education and Communication (IEC) for awareness generation, transparency and impact documentation.

TECHNOLOGY DISSEMINATION

- Linkage with technical institutions and universities, technical awareness programmes for the rural community and project staff, development of technical modules for technology transfer to the end-user.
- Information dissemination as regards improved technology in the fields of agro based, minor engineering, bio technology and other suitable technology.
- Technology dissemination through grass root level demonstration, trainings and workshops.

PROJECT IMPLEMENTATION

- Facilitation of implementation of externally aided integrated watershed development projects through Multidisciplinary Teams (MDT) trained in participatory approaches.
- WMD is presently implementing three project in a decentralized institutional setup using PRIs as the main planning and implementation agencies. In these projects Gram Panchayats are the implementing units at the village level. The Project are;
 - i) **World Bank funded, Uttarakhand Decentralized Watershed Development Project Phase-II (Gramya-II)** in approximately 509 Gram Panchayats in 18 Development Blocks in 8 hilly districts of Uttarakhand.

- ii) **IFAD funded, Integrated Livelihood Support Project (ILSP)** in 187 Gram Panchayats in 7 Development Blocks in Pauri, Nainital and Champawat districts of Uttarakhand.
- iii) **Centrally Sponsored Pradhan Mantri Krishi Sichai Yojana – Watershed Development (PMKSY-WD)** in selected micro watersheds in all 13 districts of Uttarakhand.

DETAILS OF CLIENTS

Watershed Management Directorate renders services at two levels viz. Government and community.

The clients at the two levels are as follows:-

(i) Government level-

- The state govt. through Directorate for project planning and implementation of externally aided projects.
- Line Departments (Rural Development, Forest and Agriculture department) implementing Watershed Development projects.

(ii) Community level-

- Gram Panchayat
- Revenue Village Committee
- Farmers Interest Group
- User Groups
- Self Help Groups / Vulnerable Groups
- Van Panchayat
- Other community based organizations.

DETAILS OF SERVICES PROVIDED TO EACH CLIENT GROUP

Name of the client	Services rendered
Government level -	
State Government through Directorate	<ul style="list-style-type: none"> • Arrangements of financing from Govt. of India and other external / internal agencies for implementation of watershed projects. • Prioritization of watersheds to be taken up for treatment and project planning. • Project planning and implementation of externally aided projects.
Line departments (Rural Development, Forest and Agriculture department)	<ul style="list-style-type: none"> • Preparation of watershed development projects following guidelines of MoA, MoRD (DLR), MoEF, Govt., of India. • Evaluation and submission of project proposals submitted by Rural Development, forest and Agriculture Department and NGOs etc. to the respective Ministry and Aid agency.
Community level	
<ul style="list-style-type: none"> • Gram Panchayat 	<ul style="list-style-type: none"> • Provide technical and financial support in the preparation and implementation of Gram Panchayat Watershed Development Plan. • Capacity building support. • Support of assistant accountant.
<ul style="list-style-type: none"> • Revenue Village Committee 	<ul style="list-style-type: none"> • Technical support in the preparation of RVC proposals for GPWDP preparation. • Capacity building support. • Technical support in the implementation of GPWDP
<ul style="list-style-type: none"> • Farmers Interest Group 	<ul style="list-style-type: none"> • Group formation. • Technology dissemination through field demonstration, training and workshops. • Input and capacity building support.

Name of the client	Services rendered
	<ul style="list-style-type: none"> Facilitation of market linkages. Development of market infrastructure.
<ul style="list-style-type: none"> User Groups 	<ul style="list-style-type: none"> Group Formation, input and capacity building support.
<ul style="list-style-type: none"> Self Help Groups / Vulnerable Groups 	<ul style="list-style-type: none"> Group Formation and capacity building support for skill development and IGAs. Technical support in the preparation of IGA proposal for vulnerable group fund. Training support for skill development and IGA. Funding and input support for approved IGA proposal.
<ul style="list-style-type: none"> Van Panchayat 	<ul style="list-style-type: none"> Technical and financial support in the implementation of plantation related activities under the project.
<ul style="list-style-type: none"> Other community based organizations. 	<ul style="list-style-type: none"> Technical/ Financial and training support as and when required.

EXPECTATION FROM THE CLIENTS

Client	Expectation from the clients
State Government through WMD	<ul style="list-style-type: none"> Arrangements of financing from Govt. of India and other external / internal agencies for implementation of watershed projects.
Line departments ((Rural Development, forest and Agriculture department)	<ul style="list-style-type: none"> Preparation of project proposals as per requisite guidelines. Implementation of project.
Community level	
<ul style="list-style-type: none"> Gram Panchayat 	<ul style="list-style-type: none"> To discuss & approve all major decisions related to GPWDP Ensure inclusion of disadvantaged groups such as women, poor, SC/ST, transhumant. Monitor the working of RVC & GP. Sign all appropriate agreements with WMD for participation in the project. Assist NGOs in mobilization of village communities. Open project bank account & judiciously manage project funds.

Client	Expectation from the clients
	<ul style="list-style-type: none"> • Manage project expenditure as per AWP of GPWDP. • Convene Gram Sabhas. • Ensure complete transparency & accountability by all GP-level institutions & individuals involved in the project. • Collection of Contribution by Beneficiary.
<ul style="list-style-type: none"> • Water and Watershed Management Committee 	<ul style="list-style-type: none"> • Lead the process of planning & implementation of GPWDP. • Operation of Watershed Account. • Community procurement under GPWDP. • Procurement of various agencies as per Project Operational Manual. • Auditing of accounts. • May delegate responsibility for implementation of Village Watershed Development Plans to RVCs (this will include financial management and procurement responsibilities) • Submit timely monthly and annual financial reports to WMD. • Ensure that the GP annual accounts are audited on a timely basis and submitted to the WMD.
<ul style="list-style-type: none"> • Revenue Village Committee 	<ul style="list-style-type: none"> • Lead the process of preparing RVC Proposals. • If contracted so by the GP, implement GPWDP at the village level. • Ensure equity for all, especially the disadvantaged groups. • Collection of beneficiary contribution.
<ul style="list-style-type: none"> • Farmers Interest Group 	<ul style="list-style-type: none"> • Participation in demonstration activities. • Adoption of improved technology. • Participation in Agribusiness activities.
<ul style="list-style-type: none"> • User Groups 	<ul style="list-style-type: none"> • Management and maintenance of assets created.
<ul style="list-style-type: none"> • SHGs / Vulnerable Groups 	<ul style="list-style-type: none"> • Participation in IGA activities and capacity building. • Sustainable and self reliant. • Income enhancement.
<ul style="list-style-type: none"> • Van Panchayat 	<ul style="list-style-type: none"> • Implement all plantation related activities under the project. • Coordinate with concerned Forest Department office for technical and management issues.

CONSULTATION WITH USERS/ STAKEHOLDERS

- Participatory monitoring and evaluation (PME) indicators have been developed and the consultation process with the stakeholders (Community) is carried out regularly.

COMPLAINT / GRIEVANCE REDRESSAL MECHANISM -

- A website for registering complaints at <http://samadhan.uk.gov.in> is available. Stakeholders are welcome to use this facility. They can also write through the e-mail ID: wmd-ua@nic.in; through postal correspondence at the following address– The Office of the Chief Project Director, Watershed Management Directorate, Indira Nagar Forest Colony, Dehradun PIN- 248 006.
- Under RTI Act, public information cell have been established at the following offices-
